

Transformation Masks

Last Updated Monday, 02 April 2007

These masks display a complex understanding of articulation and are extremely functional when viewed in a dance and drama performance.

Click display image for fullsize version.{tab=Transformation Mask} Masks have always fascinated me but transformation masks of the NW Coast Natives are the ultimate expression of creativity. These masks display a complex understanding of articulation and are extremely functional when viewed in a dance and drama performance. The outside figure of this type of mask will open and transform into a totally different creature on the inside.

Sun Mask

Red Cedar, Polychrome, 24K Gold Leaf{/tabs}
